

W. Charles Akins High School

2015-2016 Baseball - DKR-Texas Memorial Stadium Clean-up

Schedule below reflects the upcoming UT home games this season. Group must arrive and check in at 7:30am at Gate 32 at the Southeast Corner of the stadium. Clean-up starts at 7:45am. Parking is only available in the lot south of Mike Meyers Soccer Stadium on the East side of Robert Dedman Drive.

Clean-up Schedule

v. Rice	Sunday, September 13
v. California	Sunday, September 20
v. Oklahoma State	Sunday, September 27
v. Kansas State	Sunday, October 25
v. Kansas	Sunday, November 8
v. Texas Tech	Friday, November 27

All Akins Eagles Baseball players and their parents are needed to help clean our assigned sections of the UT Football stadium and your attendance is greatly encouraged and appreciated. We also welcome any siblings, aunts, uncles, and grandparents that would like to come out and help. The more people we have show up the faster we get to go home.

Our job, in exchange for a donation to our program, is to pick up all trash in our assigned sections.

Each person should wear gloves and grab a trash bag and recycle bag (all provided) and should be able to clean two rows at a time. (the row you are walking in and the one immediately above you) All trash must be picked up...this includes all cups, all bottles, all paper napkins, all food containers, all candy wrappers, all straw sleeves, all food (even spilled popcorn and sunflower seed shells), etc. Drink cups and water bottles should be emptied of any liquid, in to a bucket before placing in appropriate bag. (Buckets provided)

Also, the buckets will need to be poured down the nearest drain and trash bags should be placed on concourse so the facility crew can pick up.

New this year, we will need to sweep/blow all debris after all trash has been picked up. (Blowers and brooms will be provided)

We'll have quality checks before we leave to make sure the job is done correctly...so Lets all work hard to get the job done right the first time!!! The more helpers/volunteers we have to help the faster we get finished.
