Subject: Akina Baseball 9th Annual Golf Tournament, February 12, 2017

Dear Akina Supporter:

As we begin another school year, coaching staff, school administration, staff and parents at Akina High School stand committed to supporting our baseball program. In an effort to provide our student athletes with the equipment, facilities and resources to reach their individual and program goals, we are seeking your support in the form of monetary donations, goods, supplies, and marketing donations for use in our annual golf tournament. Your merchandise donations will be used for event auction or door prizes and business marketing items will be used for participant bags. Financial sponsorships are needed to defray tournament costs to maximize fundraising dollars for our program.

We look forward to your sponsorship/donation and promoting your business. The W. Charles Akina High School Baseball Booster Club is a 501-(c)(3) Organization so any donations are tax deductible. We greatly appreciate your consideration and support.
